HOW TO STUDY

There is no time restriction, students will setup their own time schedule when to study. The syllabus in the courses will have details. It will have weekly study materials with reading and writing assignments. After each week, the students will open the Quiz for their weekly studies. The quiz will be auto graded to their reports by end of each semester. ALIM education is completely online, including, studying, quizzes and exams. Once the courses registered to students and enrollment completed, the syllabus will explain how to study and follow step by step accordingly.

STUDY FORMAT

Registration will be opened throughout the year. There will be two semesters, about six courses each semester.

- March to July
- September to January

|----------------------|--------------------|
| 9 weeks study | 9 weeks study |
| 1 week midterm break | 1 week final break |
| 1 week midterm exam | 1 week final exam |

SADAQAH DONATION

There are many students, who love to study to become teacher, Imam, Leader, Scholar, but cannot afford even cannot afford registration fee for free courses. ALIM's goal and aim is to provide education to please Allah and with intention of Sadaqah jariyah. We request, help us grow more to provide free education to help others. Please sponsor a student and make Donation what ever you can. Imagine a poor student looking at rich student and wish to study and become Imam, Scholar and Dayee of Islam but left alone due to resources. May Allah accept your Donation and make this Sadaqah Jariyah, AMEEN
